

STUDIO-BIO

Trucker Studio is a fully equipped analog/digital studio that is set in Chicago's Humboldt Park. Trucker is designed to create an atmosphere in which artists can comfortably capture the important moments of the creative process. Born out the desire to provide professional recordings without the pressure of high dollar 'by the hour' studios. At Trucker, quality recordings that meet your individual standards matter above all else.

The studio boasts:

- 1 - 13' x 20' x 10' sound treated live room
- 2 - 6' x 8' x 8' isolation booths w/vision-lite doors
- 1 - 13' x 13' x 9' isolation booths
- 1 - 15' x 18' x 10 sound treated, and bass trapped control room
- Mogami cabling used throughout
- Balanced power iso-transformers
- Separate grounded circuits
- CCTV allows viewing between the live room and control room
